Description

One Great Idea Can Revolutionize Your Business

Featuring 18 Dynamic Professionals

It's true—one great idea can revolutionize your business. If you don't think so, just read this book and find the great ideas that revolutionized these authors' businesses. You will find yourself thinking, "That's great! Wish I'd known that before…"

All of these authors have used practical, common sense thinking to develop the innovative ideas they have revealed in this collection to make their lives and their businesses better.

The contributors in this book are a distinguished group of successful professionals that represent a wide range of businesses. These authors are entrepreneurs, business consultants and coaches, professional motivational and inspirational speakers. business owners, CEOs, and presidents. They can give you an insider's look at some excellent and practical ideas that can mean the difference between just making it and resounding success.
