Description

The 7 Essentials for Lasting Success (Downloadable PDF eBook)

After 25 years of researching the qualities of highly successful, moderately successful and unsuccessful people, Dr. Sherry Buffington uncovered seven qualities that all highly successful people have—qualities that are weak or missing in those who are unsuccessful.

The good news is that every single quality can be developed, and in *The 7 Essentials for Lasting Success* Dr. Buffington gives you the information you need to do just that.

Develop the seven qualities the most successful people on Earth consistently use and begin experiencing the kind of success you dream of having.

To Achieve Grand Goals, These are NOT Optional!
